

Dear Parents,

Westpine Middle School will be offering an afterschool Skills Building Program that is designed to assist students in building their academic skills in the areas of Reading and Math. This program has identified the areas in which Westpine Middle School students struggle the most. We have built a curriculum around those skills and are working to promote learning gains on the FSA (Florida Standards Assessment). This program will be offered afterschool from 3:20pm-4:30pm. **Please be advised that all participating students must be picked up at 4:30pm.** Students that are attending the Reading Program will meet on Mondays and Wednesdays. Students that are attending the Math Program will meet on Tuesdays and Thursdays. Students can sign up for either or both Reading and Math. The dates are as follows:
