

Dear Parent,

Broward County School Board's Progression Policy requires that all middle school students satisfactorily complete all core classes to be promoted to high school. Core classes included the following: Language Arts, Math, Social Studies and Science. These courses must be passed at each grade level (6th, 7th and 8th grade).

If your child has met the minimum promotion requirements but has failed one or more of his/her core courses while in the 6th, 7th or 8th grade he/she may recover the course through our Canvas Course Recovery Program. Your child will be given the course work that they have failed and must earn at least a 70% to pass the course.

The Course Recovery/Remediation Program will allow your child the opportunity to complete the necessary course work he/she needs. This program is only for those students who were promoted to the next grade yet failed one or two of their core classes.

Please following these steps to sign up for the course.

Step 1 – Login to Canvas

Step 2 – Ask to enroll in the class

Step 3 – Start completing the assignments (you must complete all four quarters)

If you have any questions concerning this matter, please feel free to contact the grade level Administrator.

Enrollment Code for all Courses:

Math

6th grade – browardschools.instructure.com/enroll/JTPHCG

7th grade - browardschools.instructure.com/enroll/3ADWEC

8th grade - browardschools.instructure.com/enroll/7LRRNY

Language Arts
