## **ATLANTIC TECHNICAL COLLEGE AND TECHNICAL HIGH SCHOOL Uniform Shirt Policy**

The School Advisory Council for Atlantic Technical College and Technical High School finds that school uniforms are necessary for the safety and welfare of students and school personnel. Uniforms promote an environment that enhances learning and safety; encourage the expression of individuality through personality and achievements, not appearances; and create a sense of school pride and belonging. All students in the Magnet High School program are required to wear a school uniform at all times when on the ATC campus and at school-sponsored events. The uniform requirements are listed below.

- **Uniform polo shirts must be worn each day by all students. Students are expected to wear a uniform polo shirt on the first day of school and every day thereafter.**
- **Uniform polo shirts may be covered only by an ATC jacket/hoodie and cannot be covered by vests, short-sleeved shirts, or other similar garments. Additional layers must be worn UNDER the uniform polo shirt.**
- **ATC uniform polo shirts may not be altered in any way.**
- **Detention will be issued to students not wearing the appropriate uniform attire. Additional consequences for non-compliance are outlined in the ATC Student Handbook.**
- **Additionally, all other clothing must adhere to the Dress Code within the BCPS Code of Student Conduct.**
