Ms. Kristina Patino, Cambridge Coordinator
Ms. Alicia Calloo, ESE Specialist

Hello Titan Families,

Our goal remains to provide an excellent education for all of our students each and every day in a collaborative manner. Students, I encourage you to reach out to your teachers frequently to ensure that you are on pace to reach your personal academic goals. I encourage you to continue to challenge yourself by taking the most rigorous classes aligned to your skills and post-secondary goals! Our teachers, counselors, and Assistant Principals are passionate and appreciate you bringing any conversations or concerns to them to assist you on your scholastic journey. Parents, guardians, and caretakers, we will continue to provide support for your students as we implement mindfulness strategies through social, emotional, and community service activities. Your students will develop leadership qualities through extracurricular activities and/or sports of interests and talents.

It is with great excitement that I welcome you back to a year of learning and growing together!

It is our goal to remain innovative and work together to provide an excellent, rigorous education for all Nova Scholars, assisting them to reach their highest potential here and beyond high school. Please continue to visit our website frequently for up-to-date information.

Let's make it another great year for TITAN NATION!

Your principal,

Ms. Awofadeju

KEEP RISING TOGETHER

At Nova, We Do The Right Thing!!

Grade 9: Opportunities for High School Students by Mr. Chartrand, Ms. Prospere, & Ms. Kelhi

We would like to welcome you to Nova High School and our 9th Grade Team is here to make your Titan years academically successful and enjoyable. Nova High has an array of academic pursuits and classes for you to choose from, like Cambridge / AICE, CTE classes, Industry Certifications, NJROTC, and other exciting and challenging courses. Acceptance into a post-secondary institution requires a competitive GPA, acceptable standardized test scores, service hours, positive behavior, and membership in clubs and/or organizations. These are all components a competitive student will have on their high school transcript.

Students should be productive during the school year to accumulate service hours, research perspective post-secondary institutions, and enroll in a summer college program. These experiences will help build the student's high school resume. Please start planting the seed with your freshman student now about the importance of a well-rounded education and involvement in extra-curricular activities.

Our goal is to help your child become college & career ready while successfully completing high school.

Please do not hesitate to contact our team with any questions. Go Titans!

- Mr. Brian Chartrand – 9th Grade Assistant Principal
- Ms. Herlande Prospere – 9th Grade School Counselor
- Mrs. Kim Kelhi – 9th Grade Secretary

Concessions will be available!

Grade 10: One Down, Three To Go By Dr. Gutzmore, Ms. Mainer & Ms. Charleus

The Sophomore year is a critical year as students begin to prepare for their college and career life after high school. We want to share some tips and information to ensure that our students have a successful school year and are prepared for the next two years of high school. *One year down, three more to go!*

Build on the Foundation: Ensure that your child continues to take rigorous classes, as these will keep him/her on track for college admissions or career readiness. We offer numerous Advanced Placement (AP), Cambridge (AICE), industry certification, and dual enrollment courses. Also, ensure that they continue to develop good study habits as these skills will be helpful throughout his/her career here at Nova High School and beyond.

Virtual Resources: Virtual Counselor can provide a variety of information including attendance, test scores, academic history, and graduation requirements. Parents and students are encouraged to view Pinnacle weekly for up-to-date information on grades. Also, visit Naviance (<http://connection.naviance.com/nova>) and start reviewing information regarding State University Systems (SUS) admissions and Bright Futures Scholarship eligibility. Re-

(Continued on page 3)

Grade 10: One Down, Three To Go (continued) By Dr. Gutzmore, Ms. Mainer, & Ms. Charleus

view this information with your child to ensure that they are aware of the GPA and course requirements of each university.

Grade Forgiveness: A minimum of a 2.0 unweighted grade point average (GPA) is needed to earn a high school diploma. Grade forgiveness is available to all students who have earned D's or F's in previous courses. Please contact your child's counselor for information about night school registration and/or Florida Virtual School. Grade forgiveness will help improve a student's GPA.

Testing Requirements: This school year, your child will be taking the new Grade 10 FAST English Language Arts (ELA) Assessment which will be given three times a year in the Fall, Winter, and Spring. Students must earn a passing score on the Spring Grade 10 FAST ELA Assessment to earn a high school diploma. Students may also be taking the Algebra 1 EOC, Geometry EOC, Biology EOC, and/or U.S. History EOC depending on their course enrollment. EOC exams are extremely important because they count as 30% of the student's overall grade in that corresponding course. In addition, your child must earn a passing score on the Algebra 1 EOC exam with a Level 3 or higher to earn a high school diploma. For testing preparation, we encourage you to register your child for our test preparation sessions and/or tutoring offered throughout the year.

College and Career Preparation: Encourage your child to begin thinking about college, research potential schools and their admissions requirements (see SUS in Naviance). It's never too early to start preparing for the SAT and/or ACT exams, which will be needed for college admissions. On Wednesday, October 12, 2022, your child will be taking the Preliminary SAT (PSAT). The PSAT results will help to prepare your child to be successful on the SAT which they will be taking during their junior year. Students should link their PSAT results to Khan Academy for free online remediation.

Student Activities: Encourage your child to join a club/organization and/or play a sport. We have numerous clubs/organizations and athletic programs here at Nova (see our website). Research has shown that students who participate in extra-curricular activities are more successful in the classroom. Extra-curricular activities also help students develop team building and leadership skills needed for life after high school.

Grade 11: Preparing for College by Mr. O'Toole, Ms. Smith, & Ms. Parker

Junior year is one of the most important years of a student's high school career. It is the last opportunity your child has to show colleges a strong academic record. Keep in mind that at this point students should be narrowing down what his/her post-secondary education plans are. If he/she is college bound, now is the time to make a list of colleges your child plans on applying to and start researching those schools. Although this process can be fun and exciting, it can also be stressful and overwhelming. It is crucial that your student has an amazing support system in place to provide help and comfort when needed. Here is a list of important things to keep in mind for this school year:

- Keeping the grades up: This is the year to improve or maintain the GPA.
- Start the credit recovery process: Register for any missing credits online or at night school. Do not wait until your senior year.
- Prepare to take the SAT/ACT in the spring: Students that took the PSAT/NMSQT in October should connect his/her scores with Khan Academy to receive a personalized study plan. Scores will be released in December. Students are encouraged to take the SAT and/or ACT more than once.
- Start the college search: Students can research colleges on Naviance, attend college fairs, and attend college tours. Schools can be contacted directly to set up a tour.
- Continue to stay involved with clubs and organizations: He/She should strive to obtain leadership roles.

Grade 12: Senior Year... No Time to Waste by Mrs. Jones, Mrs. Quander-Smith, & Mrs. Porter)

Your child is quickly approaching the end of his/her time in high school. As your student prepares for the next phase of life, it is important to remember that your involvement as parents is still very important. Please take the time to review some important information that will be crucial as your student navigates the final year in high school.

College Applications – deadlines are different for each college or university, so please be aware of what needs to be in and by when. It is never too soon to start sending out applications. Many colleges require recommendations, from either teachers or a school counselor. Again, the earlier your child asks teachers or counselors for a letter of recommendations the sooner it will get done.

Scholarships – The BRACE advisor, Mrs. Kirtman, updates the Naviance scholarship bulletin weekly with information on scholarship requirements and the application process.

Financial Aid – The Free Application for Federal Student Aid (FAFSA) application is now available online (fafsa.gov) The sooner parents complete the online FAFSA, the better the chances of receiving consideration for the maximum amount of free student aid.

Credit Recovery – If your student is missing a credit that is required for graduation, he/she can either take an online course via flvs.net, or enroll in a face-to-face night school course to recover the credit. Please review Virtual Counselor with your student to ensure that he/she is on track. Please contact me or schedule an appointment.

SAT/ACT – At this point, most four-year university bound seniors should have taken an SAT or ACT, be registered to take the test(s), or are preparing to re-take in hopes of improving their scores. Many of our students are planning on attending a two-year college first and, in this case, SAT or ACT scores are not required...but it can't hurt to take them. A student can still apply to a college or university while working on these exams, so don't wait and get started!

Service Hours – Participation in the graduation ceremony is also dependent on meeting the 40-hour service requirement. Service hour forms are available in the 11th/12th grade building, along with a list of approved volunteer sites. Remember that hours must be earned through a **non-profit organization**, and proper paper work is necessary to have the hours logged. You can visit handsonbroward.org to see a list of volunteer opportunities in your area. Silver cords for graduation are awarded to students earning 250 service hours.

If you need to "Register2Ride" your eligible student for transportation. We will be able to assist with bus registration for SY22-23 onsite during Open House hours.

"POWER of the Past-Focused on the FUTURE!"

HERE COMES THE BUS APP—DISTRICT CODE (87599)

Naviance

Broward County Schools has partnered with Naviance to provide a variety of tools for student achievement through academic planning. These tools are located in **Naviance**, a website for students and families to access online resources, communicate with school staff and collaborate on college and career readiness activities.

Students can research college, scholarships, careers, enrichment programs and courses all in one location! They can also create individual plans that can be linked to college and career readiness. Students can communicate easily with their school counselor and BRACE Advisor. For college and career readiness, students will be able to request transcripts and recommendations for college applications as well as complete career assessments and perform college and career searches. Students can also create goals and track associated tasks and activities.

Students will use Naviance OFTEN to apply to college, search for colleges, careers and scholarships. They will also be required to complete tasks assigned by their school counselors and BRACE Advisor.

- ◆ Boys Basketball – October 31, 2022
- ◆ Wrestling – October 31, 2022

Athletic Director Jason Hively (jason.hively@browardschools.com) 754-323-1671. Visit www.browardschools.com/novahigh for the latest information regarding Nova High School Athletics.

Volunteer Service Hours

All students are required to complete a minimum of 40 service hours to receive a high school diploma. The purpose of this requirement is to teach students the importance of participating and providing services to both their school and community. We encourage students to go above and beyond the minimum 40 hours and continue to give back to the community. **Students interested in earning a silver cord to be worn at graduation must complete 250 service hours.** Students will be advised of the deadline date to submit in hours for the silver cord.

In order for student service hours to be recorded properly, it is important that the following guidelines are followed:

- Students are responsible for receiving approval from Ms. Figueroa prior to performing volunteer service hours.
- One Student Volunteer Service Application and Approval Form must be completed for each organization where service hours are performed. Parts A, B, and C must be completed prior to submitting forms to Ms. Gentile.
- Service hours are to be documented on the Tier Form.
- Students are responsible for making a photocopy for their records of all service hour forms prior to submitting them to Ms. Figueroa.

All volunteer service hour forms are available in both offices. Approval Forms and Tier forms may also be printed from the Broward County Public School's Service Learning website. Additional information in regard to rules and regulations set forth by Broward County School Board are also available on the website. (www.browardschools.com/schools/service_learning.htm)

HandsOn Broward (www.handsonbroward.org) provides various volunteer locations.

Important Service Hour Reminders

- Students are required to complete a minimum of 40 hours for graduation.

Get Involved!

Extracurricular activities offer students the opportunity to apply academic skills in a real-world context; and learn the value of teamwork, individual and group responsibility, competition, and diversity. Participation in extracurricular activities may increase students' sense of culture and community and attachment to their school thereby decreasing the likelihood of school failure and dropping out. Nova High School offers students a wide range of extracurricular activities including social, service learning, and academic clubs and associations. Please visit our website for a list of clubs and organizations being offered this year.

School Advisory Council (SAC) / School Advisory Forum (SAF)

Nova High School's Advisory Council (SAC) addresses student achievement issues as well as the school improvement plan. SAC is open to parents, students, and community members. The School Advisory Forum (SAF) is open to all parents and guardians and provides important information impacting the quality of education your student receives in the Broward County Public Schools, such as: Standardized Testing (FSA, PSAT, SAT etc), Facilities Improvement (Construction and Maintenance), College Readiness and Selection, Curriculum and Instruction, Extracurricular Activities, Guidance and Student Services, and State Funding for Education.

SAC/SAF meetings begin jointly at 5:30 PM at Nova High School. Location: TBA

Upcoming Meeting Dates:

August 29, September 19, October 24, November 28, December 19,
January 30, February 27, March 27, April 24, May 22

If you have any concerns you would like addressed at an upcoming SAF meeting please send an email to:
csexton@browardschools.com

Policies

Attendance:

According to Attendance Policy 5.5, an absence needs to be excused by parent/guardian within a 48 hour period of time for every student absence. Five excused/unexcused absences/tardies during a marking period are considered a "pattern of non-attendance" and a referral from the teacher will be administered.

Signing Out:

Students are not allowed to sign out during the last 30 minutes of the school day.

Suspensions:

SB Policy 5006 outlines all the violations that result in out-of-school suspension and expulsion and/or the consequences. You may view the complete suspension/expulsion policy and all School Board policies on the Web at: <https://www.browardschools.com/Page/37754>
THE INTENT OF THIS POLICY IS TO PROVIDE FOR THE MAINTENANCE OF A SAFE, ORDERLY AND PEACEFUL EDUCATIONAL ENVIRONMENT FOR ALL STUDENTS AND TO ALIGN WITH ZERO-TOLERANCE LEGISLATION AND STATUTORY REQUIREMENTS. Suspended students are eligible to receive assignments and may earn credit and grades for make-up work during the suspension period. The make up work is due the day the students return from suspension.

Substance Abuse:

Possession or use of drugs, alcohol, and/or tobacco products, including unauthorized over-the-counter medications is prohibited. The sale or attempted sale of any of the previously mentioned items or possession of drug paraphernalia is prohibited. Failure to abide by these policies will result in disciplinary action.

Safety & Security

ID Badges

ID Badges must be worn by all staff and students while on campus or transportation. It is also required for use in the school cafeteria.

Supervision on campus

Campus opens at 8:50am and at dismissal students are required to exit campus unless they are on campus for an approved activity. Supervision at all extra-curricular events ends 30 minutes after the event is over. Students should communicate with parents to ensure they are picked up in the front of the school in a timely manner.
