ATTN: All STHS Students and Parents, Grades 9-11

FROM: Mrs. Cara Daniel, Director
Sheridan Technical College and Technical High School

SUBJECT: BCPS Mandate – No bookbags on school campus as of June 2, 2023.

Greetings STHS Parents and Students,

To ensure that none of our students will be in possession of a bookbag on the Sheridan Technical High School campus or BCPS school buses after June 1, one of the options below must be chosen by each parent and student.

Before choosing the return date for your child’s bookbag, laptop, and charger (all must be returned at the same time to delete the obligation to the student’s record), please consider the underclassman final exam schedule and your child’s need for the use of technology at home. **There will only be two choices for the return of the assigned technology and associated equipment.**

- June 5-7 are full school days (7AM-1:45PM) and June 8 is a full school day.
 - June 7 & 8: Teachers may work with students for academic recovery needs, if applicable.
- Students will be allowed to waive 2 final exams with qualifying grades.
- No final exams are scheduled for EOC or AP classes. These blocks will be listed on the Exam Exemption Waiver for parents to have students marked EXAB should they choose to stay home for that test period.

This form must be returned to the 4th period teacher by Friday, 5/26/2023, so that our staff can make the necessary plans for the return of these items by all 9th, 10th, and 11th Grade students. Should you have any questions, please contact the high school’s assistant director, Mrs. Sanchez, at 754-321-7400 before returning this form.

Thank you.

CHOICE 1: Return laptop, bookbag, and charger on Thursday, June 1, to STHS before the end of the school day.

- My child will not need their laptop (bookbag and charger) at home for exam preparation or academic needs and will return the assigned laptop, bookbag, and charger to STHS on June 1. By checking the box to the left, both parent and student are stating that any technological needs for exam preparation can be provided at home, without the school-assigned laptop. *No bags or technology (personal or school-issued) may be brought to school from June 2-8, 2023.*

CHOICE 2: Return laptop, bookbag, and charger on Thursday, June 8, by parent drop-off to the STHS Campus.

- My child is choosing to use the assigned laptop (bookbag and charger) at home for exam preparation or academic needs throughout the exams scheduled. The required materials (laptop, bookbag, and charger) will be brought to the high school campus on June 8 for return by the parent/student, understanding that none of these items may be carried on the school bus. *No bags or technology (personal or school-issued) may be brought to school from June 2-8, 2023.*
