

One-to-One Laptop Pilot

Sawgrass Springs Middle School

February 4, 2019

Why One-to-One Student Laptops

- * We want to put the tool in your child's hands to make a seamless transition from school to home.
- * We have the infrastructure in place with the Canvas (LMS) and Single Sign On for all students.
- * This is a pilot. We are planning for success, but we need your help. Laptops will be returned on May 13th
- * This is not: a paperless initiative or a computer all day initiative

LAPTOP USE AND CARE

- * Laptops are for student use only
- * 1 Charger will be sent home with each laptop
- * Laptops are for school-related use only
- * Laptops and charger must be transported in student's backpack
- * This is a very good time to empty backpacks
 - * No textbooks go to, and from, school
 - * All quarter 1 and quarter 2 work should be left at home
 - * Students should only have 1 novel available

LAPTOP CARE

- * DO NOT sling/throw backpacks containing laptops
- * Do not leave water, or any liquids, in backpack
- * We recommend a large plastic bag to store laptop
- * DO NOT leave your backpack unattended
- * We recommend a sticker to identify your laptop, but it must be removed when returned
- * RECHARGE the Laptop EVERY NIGHT / Laptop must be fully charged for school each morning
- * Laptops MUST be brought to school DAILY. If your child does not bring his/her laptop to school you may receive:
 - * a parent phone call to bring the laptop to school
 - * lowered grades
 - * Habitually forgotten laptops may lose privileges to take laptop home
 - * No replacements for that day

LAPTOP USE

- * Parents please monitor the use of the laptop
- * It is recommended that devices be used in a specified area
- * Students can access home wi-fi
- * Students cannot install software, including home printer

What is NOT School Related???

*Shopping

*Bill Pay

*Video Games

Lost/Stolen/Damaged

- * MUST be reported to teacher IMMEDIATELY
- * Obligations will be assessed for the following:
 - * \$240 for a lost / stolen laptop
 - * \$25 for a lost / damaged charger
 - * \$25 for a vandalized / damaged
 - * Hinge break
 - * Broken key boards
 - * Liquid damage
 - * Broken screens: Do not put writing utensils in laptop

Tonight's Procedures

- * Laptops will be handed out in 1st period classes this week
- * Tonight: Find your child's first hour teacher by last name
- * Sign property pass and agreement
 - * Please note the serial number on the laptop must match the property pass
 - * Each charger will also have a unique number that will be placed on all paperwork
- * Students will receive their laptop by the end of the week once paperwork is signed
