

Sawgrass Springs Middle School

Parent Updates 5-28-20

Good Afternoon to Our Wonderful Sawgrass Springs Middle School Community,

I hope all of our families are healthy and safe. As we bring this challenging quarter and year to an end, I want to thank our students, parents, teachers, and staff for your flexibility and cooperation in these unprecedented times. A special shout-out goes out to our 8th graders who showed toughness and grit in completing middle school this quarter. We wish you the best of luck in high school and beyond! We will provide a farewell video for 8th graders soon.

Here are some updates for the last few days of school:

1. We will be opening campus on Tuesday, June 2nd for students who need to pick up or drop off items. Please see the attached SSMS Student Pickup – Drop Off Plan for procedures if you need to come to campus on Tuesday. We want it to be as organized and safe as possible. There are specific times for grade levels by last name. There is also a survey to complete if you need to pick up items. This will help us to be ready for all requests.
2. We are in the process of completing refunds for any payments made that were not fulfilled. Parents should begin to see transactions within the next week to their original form of payment. If the account is closed, or if you paid cash, a check will be issued and parents will be contacted for mailing or pickup. If there are any questions, comments or concerns, please email wichita.small@browardschools.com
3. Yearbooks: Our yearbooks have been postponed due to a warehouse shut down. They plan to deliver the yearbook sometime in June if you have already paid for it. If you would still like to purchase a yearbook, we have some available at a cost of \$50. Please go to our website at ssm.browardschools.com and click on the Online Payments link on the right side of the page.

The Sawgrass Middle School faculty and staff wish all of our students and families a happy and safe summer. Please keep an eye out for Parentlink messages regarding information for next year as it unfolds.

Respectfully,

James Cecil

Principal

Sawgrass Springs Middle School
