Dear Sawgrass Springs Middle School Family,

This correspondence comes to advise you that the principal position at Sawgrass Springs Middle School has become vacant for the 2022-2023 school year. Mr. James Cecil was recommended to another leadership opportunity within the school district. The North Region Office thanks him for his 11 years of service to the Sawgrass Springs Middle School community. We wish him well in his new role.

The principal selection process has already started with a staff and community meeting that was held on Tuesday, August 9th. You will be notified when the new principal is appointed. Mrs. Georgette Hamm, Assistant Principal, along with the North Region Office, will provide leadership until a new principal is selected. Mrs. Hamm has been at Sawgrass Springs for 5 years and has been an Assistant Principal for 11 years. Together, the administrative team has over 30 years of combined experience and will work diligently for a smooth and successful school year.

The North Region Office is prepared to answer any questions you may have because of this action. Please contact the school's Director, Todd J. LaPace, or me at 754-321-3600.

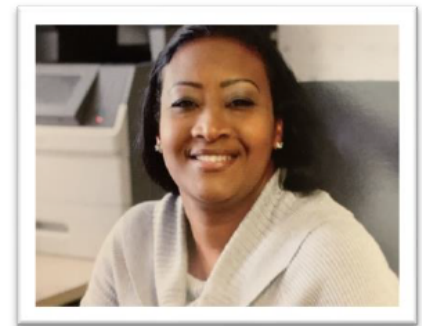

Sincerely,

Dr. Jermaine V. Fleming
North Regional Superintendent
