

Our Harvest Drive will begin on October 21 and run through November 8.

We will be helping and feeding 200 local families this year for the holidays! Please send in any canned or dry goods with your child to be dropped off in their First Period class.

Although ALL canned and dry goods are accepted and appreciated, we are also focusing on a few critical needs items such as: canned gravy/packets, canned soup and canned tuna/meat. We would also like to include a Publix gift card for each family to purchase a turkey/cold food items. If you would like to contribute, please go to the EStore to make your donation.

Please help our Harvest Drive again this year! Your kindness and generosity are always appreciated!!
