

Pembroke Pines Elementary School  
"We Treasure our Students"

Greeting Pembroke Pines Pirates,

Mrs. Rodriguez and I welcome you to the 2021/2022 school year. This year promises to be a phenomenal one at PPE and we are excited to have you as a part of our family.

Mrs. Rodriguez and I remain committed to our school's mission of not only providing a quality education, but also instilling a love of learning and preparing our students for the future. We believe that if home, school and community work together, our students can achieve great things.

Developing the whole child is paramount here at PPE. We continue to challenge our students to grow in their academic abilities while preparing them to be ready for the next stage of their educational journey, by delivery high quality instruction, while striving to meet the needs of each child. Tending to the social and emotional needs of students is also a priority as we work to ensure that our Pirates are equipped with the necessary social skills to be successful citizens. Offering experiences outside of the classroom helps us to develop the whole child. Providing students with extra-curricular and enrichment activities allows them the opportunity to explore additional interests.

Parents, partners, and the Pembroke Pines community are all encouraged to become a part of our school family. To partner with our school, please contact us at 754-323-7000. You may also consider being a school volunteer. Please click on <https://www.browardschools.com/getinvolved> for additional information.

We are honored and humbled to be able to serve the Pembroke Pines Elementary community and look forward to working with all our stakeholders to make this school year a great one.

Sincerely,
