

LET'S DIG INTO MIDDLE SCHOOL

As we continue to distance learn from home, we wanted to give parents and students the opportunity to dig deeper into all there is to know about the transition from Elementary to Middle School.

Your child has had a wonderful academic and Social Emotional Learning experience at Pembroke Pines Elementary and is now well-equipped to move on to Middle School.

You are invited to attend a Virtual Team Meeting with the Counselors from Apollo and Pines Middle School, as well as the Magnet Coordinators from Apollo and New River.

Wishing your child the best !
