As we enter 2024, our entire staff will continue to ensure that our Pirates' education, safety and security and well being are our top priorities.

We have many activities coming up in the second half of the school year. Please continue to check our website frequently, listen to our parent links and stay in communication with your child's teacher so that you are always up to date. Our School Advisory Council and School Advisory Forum Meetings are held on the 4th Monday of each month. I invite you attend these very important meetings. Here you will receive information about issues pertaining to curriculum and instruction, school operations and budget.

We are always looking for volunteers. If you are interested in being a school volunteer, please call the office at (754-323-7000.

Thank you for continuing to work in partnerhsip with us to ensure that each student here at PPE has the very best educational experience.
