

Autism Awareness Week

April 8-12, 2024

April is Autism Awareness Month

Autism is a complex developmental disability which primarily affects a person's ability with social interaction and communication. Autism is known as a spectrum disorder, because it affects each individual in different ways and to varying degrees. Show support of those affected by Autism by participating in our spirit days! Here's how it works:

Monday - Hats Off to Autism - Hat Day

Tuesday - BE CALM on World Autism Awareness Day
Wear a BLUE t-shirt. BLUE is the most "sensory" calming color.
*Special Olympics Young Athletes Culminating Event

Wednesday - NO SCHOOL

Thursday - You Don't need a Cape to be a Superhero
Wear your favorite superhero t-shirt

Friday - Together Everyone Accomplishes More
Wear your PPE Team T-Shirt (Emerald/Ruby/Sapphire/Topaz)
OR your favorite Autism Awareness t-shirt
