

Parents can access their student's report card in their Focus Parent Portal.

Log into your **Focus Parent Portal** account at <https://browardschools.focusschoolsoftware.com/focus/>.

Select the **Reports** tab at the top of your student's block.

Select the desired Quarter **Report Card** link to open a PDF version of the report card.

The report card will open in a new window.

Select the printer icon in the top right to print the report card.

Select the folder with arrow icon in the top right to download the report card.
