Note: * Students taking EOC assessment courses (Algebra 1, Geometry, Biology or U.S. History) will not need to exempt the FINAL Exam, as there is no FINAL Exam for those courses. Therefore, these do not count as part of the 3 allowable exemptions. Students will take the EOC assessment in lieu of a Final Exam. The statewide, standardized EOC assessment cannot be exempted. ** A final grade in the EOC course will be issued once the course has been completed AND the EOC exam results have been received. Exempting exams is a reward for satisfactory or better academic progress. It is widely recognized that students benefit from the study skills practiced when preparing for semester exams similar to those used in post-secondary schools. Students who choose to exempt their exams may forego the opportunity to improve their semester grades by taking their exams and earning higher grades. Even when eligible, students have the option not to use the exam exemption.

Students may select up to 3 exams you qualify for and choose to exempt. Please choose wisely. If you have chosen to exempt an exam, but your current quarter grade falls below a “B”, it is your responsibility to then study for and be present for the exam. You would no longer be able to exempt the exam. If your 4th quarter grade falls below a "B" in a course and your exemption is withdrawn you will NOT be able to replace this exemption with another exemption from another class after the form has been turned in because of tests, quizzes, or assignments that were given after the exemption was approved.

It is the responsibility of the student to:

- 1) Obtain Parent and Student e-signatures on the Exam Exemption Form.
- 2) Submit this exam exemption form by 2:40 pm on Wednesday, May 28, 2025. NO late forms will be accepted.
- 3) Verify with each teacher that you are still approved to exempt his/her exam and that your grade for the current quarter has not fallen below a “B” by checking FOCUS.

Only ONE Exam Exemption Form can be submitted per student. If a student turns in a duplicate exam exemption form both forms will be considered null and void. Exams cannot be retroactively exempted once the student takes the exam. **All exam exemptions require parent permission.** No exam exemptions will be granted without the required form being completed, signed, and turned in before the deadline. This is the student's responsibility. Failure to abide by this policy will result in the student having to take the exams for all classes.

Students are encouraged to use the semester grade calculator [Broward County, FL Grade Calculator](https://www.bee-man.us/school/broward_grades.php)
