- **3 of our Individual Events also received TOP HONORS/CRITICS CHOICE** in their category - which means they had the highest numerical score in their category and received special recognition and an opportunity to present again during closing ceremonies to a packed house. (We tied one other school from Miami for the most TOP HONORS/CRITICS CHOICE recipients of the entire festival). Pics attached
 - **TOP HONORS/CRITICS CHOICE - MONOLOGUE - JAXON REID**
 - **TOP HONORS/CRITICS CHOICE - COSTUME DESIGN - CRISTIAN PONCE**
 - **TOP HONORS/CRITICS CHOICE - SCENE DESIGN - MEI LING JAEGER**
- **Lightning Thief** performed to a packed house of excited theatre students - nearly 2000 of them - It was electric and they earned a full standing ovation. I'm including a link to our finale and curtain call video so you can hear the crowd. They are so loud next to the camera that you can't even hear the very loud music that was playing at the time. The next day, our scholars were STARS - CELEBRITIES IN THE HALL - teen paparazzi everywhere LOL: https://browardcountyschools-my.sharepoint.com/personal/p00031730_browardschools_com/Documents/Forms/DispForm.aspx?ID=3444
- Parkway is now the only school to repeat a mainstage invitation, and this was our 3rd. We were the 1st to be invited with Guys and Dolls, last year we brought our virtual mainstage of The Brothers Grimm Spectaculathon to the virtual festival, and this year marks our 3rd overall and 2nd in person mainstage with Lightning Thief. No other junior thespian troupe in the state can say this.
