

SHOW YOUR SUPPORT FOR SEMINOLE MIDDLE SCHOOL WITH YOUR PTA MEMBERSHIP

The Seminole PTA Membership Drive is in full swing! We invite all parents, guardians, grandparents, friends, faculty, and staff members to join.

Memberships are only \$10 per adult or \$15 for two adults!

To join, click below on the link to our MemberHub online store. We are accepting online memberships only at this time.

<https://seminolemiddleplantation.new.memberhub.store/store>

If you are a current member on MemberHub, please log in to purchase your membership. If not, you will be asked to create an account.

PTA will utilize MemberHub this year to communicate with parents, for fundraisers, to post special events, announce PTA Zoom meetings and more.

When you become a PTA member, you make an incredible difference in your students' lives. Your membership fee helps your child have the resources for the education they deserve. PTA membership money helps to cover costs of new technology, Science Fair, Book Fair, Literary Fair, Career Day, Chorus and Band Concerts, Student Awards including Panther of the Month, teacher appreciation, and many other activities both virtually and in school.

This year we challenge our families, friends, faculty and staff to strive for 100% membership to Seminole Middle School PTA! Help promote your school and enrich your child's education. Make this the year that Seminole can proudly declare that **all** our parents, faculty and staff belong to the ***Parent Teacher Association***, the organization that works together to enrich your children's education. Again, **membership fees are only \$10 per adult or \$15 for two adults!** Additional donations are, of course, **always** welcome.
