Dear Parents, Staff, Community Members, and Business Partners:

As a result of Mrs. Marlow's retirement, the principal position at Seminole Middle School has become vacant. To ensure a smooth transition in leadership and to maintain the tremendous educational standards that currently exist, a highly collaborative process will be used in the selection of your next principal. A community conversation will be held to solicit input regarding the characteristics you feel are most important in your next leader. Staff, community, business partners, city leaders, and parent leaders are invited to participate in this process. A representative from our office will lead the Community Conversation on Wednesday, June 15th at 6 pm. The meeting will be held in the school's media center. For those who are not able to attend this face-to-face meeting, a Microsoft Teams meeting link will also be available. This meeting link will be accessible via the school's website.

The information obtained from the Community Conversation will be utilized in the process to screen and select applicants to help ensure the best quality leader is chosen with the characteristics that best fit the needs of your school.

Important - Pursuant to School Board Policy 4002.14, Selection and Appointment of School-Based Administrators, individuals wishing to be considered as a member of the Principal Selection Stakeholder Panel must attend the Community Conversation on Wednesday, June 15th at 6 p.m.

The Office of School Performance and Accountability team looks forward to working with you in this critical process of selecting your new school leader. Should you have questions concerning this initiative, please feel free to call Mr. Joseph Balchunas at 754-321-3838.

Sincerely,

Joseph Balchunas, Director
 School Performance and Accountability
