

## National Junior Honor Society Application

Name: \_\_\_\_\_ Grade: 7 (Only) Date: \_\_\_\_\_

Dear Applicant:

Membership in an Honor Society is one of the highest honors that can be awarded to a Falcon Cove Middle School student. The National Junior Honor Society works hard to bring the accomplishments of outstanding students to the attention of parents, teachers, peers, and the community. Chapters in more than 5,000 middle and high schools across the nation strive to give practical meaning to the Society's goals of scholarship, leadership, service, citizenship, and character. These five ideals will be considered as a basis for your selection. No student is inducted simply because of a high academic average. The National Junior Honor Society strives to recognize the total student; one who excels in all areas. The standards for selection are:

Scholarship: 3.5 cumulative average (minimum)

Leadership, Service, Citizenship, and Character – as demonstrated by activities and teacher evaluations.

Membership, however, is more than an honor. It incurs a responsibility and an obligation to demonstrate those outstanding qualities that may result in your selection. NJHS recognizes not only academic achievement, but community service and citizenship, as well. As such, the application asks you to list any awards you have earned, community service projects in which you have been involved, and leadership positions. If selected, your membership carries a responsibility to the chapter. If your chapter of the National Junior Honor Society is to be effective and meaningful, each member must become involved. Live up to your obligations by participating in all of our chapter meetings and projects.
