

Parent University on Cyber Security

Thursday January 31, 2019, 6:30pm
at Manatee Bay Elementary School
19200 Manatee Isles Dr., Weston, FL 33332

How do I protect my child from cyber threats? What are the latest trends in Cyber Security? What are the health impacts on social media consumption? How do I deal with cyber bullying?

We will address questions like these during our 2019 parent university. We invite you to get a better understanding of Cyber Security and how it impacts your children:

- Hear from FBI law enforcement experts on what is the latest in cyber crimes and cyber bullying
- Speak with health professionals about what is at risk
- Learn from IT security specialist what you can do to protect your child and yourself
- Get a Parents' Cyber Security Checklist
