

August 2020

Dear Parents/Guardians,

Welcome back to the 2020-2021 school year! I hope you had a wonderful summer and are ready for the challenges and excitement of the new school year. As your new principal, I am excited and honored to be a part of the Wingate Oaks family. It will definitely be an opening like no other! Working together, we can accomplish any goal that we set our mind to. Our challenge remains for every learner to succeed as we collectively strive to foster a high-quality education. **We are all in this together!**

This year we are celebrating with the theme, "In a world where you can be anything, BE KIND!" We can't think of a more appropriate time to look for the good in others; speak only words of kindness; and walk with the knowledge that you are never alone. According to science, being kind can help improve your health, reduce anxiety, help you live longer, decrease stress, and is good for your heart. We all need kindness now more than ever!

We have scheduled a time for you to pick-up materials needed for school in a drive-by setting. CDC Guidelines are required while on school campus at all times.
