The Honors Program is looking for creative, forward-thinking individuals with an interest in global issues and a willingness to learn and study outside of their comfort zone.

Honors Scholars will host a 1-hour session that will allow prospective applicants to learn more about UF, the Honors Program, and these exciting scholarships. The webinar is scheduled for [Monday, October 25 between 6 – 7 PM](#). Students may register using the link embedded above.

To be eligible for these programs, students must be nominated by high school administrators or counselors.

Deadline for all materials: Sunday, November 14, 2021

Application, Nomination Form, and additional information are available [here](#)

Note that application to the University of Florida and the Honors Program is a separate process and that deadline is **November 1**. Transcripts and standardized test scores are reviewed by the Office of Admissions and are not required as part of the scholarship application.
