Canvas provides a means for teachers to continue to communicate with students by providing written, recorded, and even live instruction. The best way to continue the learning process for your child is to ensure each child can login to their Single Sign On [SSO LaunchPad](#) to gain access to core instructional materials, supplemental educational programs, and their teacher's Canvas courses. For additional learning opportunities in the core classes, review the list of resources below.

## General Parent Resources (All Grade Levels)

<b>Learning Never Closes</b>	<a href="http://browardschools.com/learningnevercloses">http://browardschools.com/learningnevercloses</a> Broward County Public Schools (BCPS) is committed to supporting students and families in making sure that learning never closes. When the school buildings are closed for any reason (vacation, weekends, or even unexpected closures), BCPS encourages families and caregivers to have students engage in academic activities. Resources for students with disabilities are embedded within the Learning Never Closes link.

## **Making my way through College**

- <http://www.ncwd-youth.info/wp-content/uploads/2016/11/Making-My-Way-through-College-FINAL.pdf>

Each day, in addition to educational time with the hard copies of the worksheets, or online instruction, youth are encouraged to apply daily living skills at home by identifying a minimum of one household task (laundry, garbage, dishes, sweeping, vacuuming, food prep, creating a grocery list, etc.) per day to complete and master for success!
