

THE FLYING L NEWSLETTER

Dear Fabulous Flying L's,

First quarter is over, and the holidays are a couple of weeks away. If you did well last quarter, congratulations! Keep up your efforts and pace yourself. If you did poorly, don't despair. There are two more important grades (2nd quarter and midterms) before your GPA is calculated. All the adults on staff are here to help you fulfill your potential. Ask for help, and we will find ways to connect you with the right resources.

Looking back on this quarter, I want to thank everyone who participated in our "Start with Hello" campaign. Each year we try to find ways to help every person feel connected - to feel and know they are important and valued members of our Flying L community. I remember moving to a new city in a new country in the 8th grade. I felt sad, lonely and scared that I wasn't going to make friends or find my way. Today, I'm grateful for that experience because it helps me to have empathy and connect with many of you. If you're sad, or stressed, or just feeling left out, please know that you're not alone. Reach out to a teacher or staff member - we are here for YOU!

Remember to: Love, Learn, Live, Lead and to Leave a Legacy!
