SUBJECT: **SUMMER DIGITAL LEARNING PLAYGROUND**

**ACTION:** Please share the following information with all staff.

**RATIONALE:** In order to provide continued learning experiences during the summer months, a Summer Digital Learning Playground is being created to house all online summer learning experiences and activities for students K-12. The Summer Digital Learning Playground can be accessed from the Learning Never Closes website at <https://www.browardschools.com/learningnevercloses> or directly by clicking on <https://www.browardschools.com/digitalplayground>.

In addition, the Supporting Young Learners site has added a Digital Learning Playground tab where elementary-related experiences, activities, and materials, including virtual vacations, will be available beginning Monday, June 8, 2020 (<https://bit.ly/ElemDigitalPlay>).

For additional information, please contact Dr. Nicole M. Mancini, Director, Elementary Learning Department, at [nicole.mancini@browardschools.com](mailto:nicole.mancini@browardschools.com) or Dr. Daryl Diamond, Director, Innovative Learning Department, at [daryl.diamond@browardschools.com](mailto:daryl.diamond@browardschools.com).
