SUBJECT: NO BACKPACKS FOR THE LAST WEEK OF SCHOOL

As this school year comes to an end, we are adopting the following practice for the last week of school. Effective Friday, June 2, 2023, through Thursday, June 8, 2023, students **will not** be allowed to bring backpacks to school. Additionally, large purses or beach bag-style purses will not be permitted on campus during this time. A small pouch may be allowed for personal hygiene items. Lunches may be brought in a clear disposable container or clear plastic bag. While we understand that this may cause some inconvenience, we believe that this added measure is necessary to maintain a safe and secure learning environment for all students and staff.

Please feel free to share the attached flyer to your websites, newsletters, or communication you may distribute to your community. We look forward to successfully closing out this school year.

If you have any questions, please feel free to contact your respective Regional/Associate Superintendent Offices.
