BCPS Students in Grades 5-12*

2021 THEME:

G L O B A L C H A L L E N G E
R E G I O N A L I M P L I C A T I O N
L O C A L A C T I O N

Grades 5-12 teachers can apply at: <http://bit.ly/2021YouthClimateSummit>
Student call for presenters and topics survey: <http://bit.ly/2021ClimateSummitSurvey>

The Youth Climate Summit provides a platform for BCPS students to advocate for policy change and gives students a voice for promoting environmental sustainability. Students who attend the Summit will have the opportunity to learn from youth and experts on the global climate change challenge, its regional implications, and local actions everyone can take to address the challenge.

In partnership with the BCPS Applied Learning Department, Broward County Environmental Planning and Community Resilience Division, and the Museum of Discovery and Science
