

SUMMER CHALLENGE

Dear Students and Families,

Welcome to the i-Ready Summer Challenge!

Continuing learning over summer is important and i-Ready can help. Participation in this challenge is voluntary but highly recommended! The students in the school with the highest percentage of students successfully completing their lessons in each subject and grade level will be rewarded with a celebration.

Individual schools may also reward individual students for their participation.

The Challenge: It's Easy!

- You have been assigned 10 Reading and 10 Math lessons based upon your current grade level. These can be found in the Teacher Assigned Lesson cue. Your My Path lessons will not be available.
- Complete and pass 10 lessons in Reading and Math over the summer. If you can't finish all 10 – do what you can!
- Fill out the lesson log as you pass lessons.
- Lessons must be completed and passed by July 31. After this date i-Ready will not be available until the school year begins.
- Return the i-Ready Lesson log when school starts in August.

Access to i-Ready:

Students will continue to gain access through the District Portal.

- a. Website: sso.browardschools.com
- b. Select "Log in with Active Directory"
- c. Select the i-Ready icon

Tips:

- To find information about completed lessons visit the My Progress tab found at the bottom of your i-Ready screen.
- We recommend 1-2 math lesson and 1-2 reading lessons per week.
- For technical support:
 - i-readysupport@cainc.com
 - phone: 800-225-0248 Mon-Thurs 8:30 a.m.–7:00 p.m., Fri 8:30 a.m.–5:00 p.m.

Name:		Grade: 6	
Date	Lesson Name	Score (in My Progress)	Parent Initials
READING			
	Building Sentence Comprehension: Identifying Replaced Words and Ideas in Informational Texts		
	Identifying the Central Idea		
	Analyzing Development of Individuals		
	Building Sentence Comprehension: Analyzing Sentence Parts in Literary Texts		
	Identifying Word Meaning		
	Analyzing Word Choice		
	Building Sentence Comprehension: Analyzing Sentence Parts in Informational Texts		
	Determining Author's Point of View		
	Building Sentence Comprehension: Understanding Literary Texts about Solving Problems Together		
	Exploring Narrative Point of View		

SUMMER CHALLENGE

Name:		Grade: 6	
Date	Lesson Name	Score (in My Progress)	Parent Initials
MATH			
	Equivalent Ratio Tables		
	Graph Equivalent Ratios		
	Solve Problems w/ Ratios and Unit Rates		
	Solve Problems w/ Percents		
	Division of Whole Numbers and Decimals		
	Division of Decimals		
	Equivalent Expressions and the Distributive Property		
	Equivalent Expressions and Properties of Addition		
	Write and Solve Addition Equations		
	Write and Solve Multiplication Equations		

SUMMER CHALLENGE

Name:		Grade: 7	
Date	Lesson Name	Score (in My Progress)	Parent Initials
READING			
	Building Sentence Comprehension: Identifying Replaced Words and Ideas in Literary Texts		
	Citing Evidence: Informational Text		
	Citing Evidence: Literary Text		
	Building Sentence Comprehension: Understanding Informational Texts about Dealing with Conflict		
	Analyzing How Story Elements Interact		
	Determining Word Meaning: Literary Text		
	Building Sentence Comprehension: Understanding Literary Texts about Helping Family		
	Analyzing Narrative Point of View		
	Building Sentence Comprehension: Understanding Informational Texts about Preparing for Space		
	Historical Fiction versus Nonfiction		

Name:		Grade: 7	
Date	Lesson Name	Score (in My Progress)	Parent Initials
MATH			
	Unit Rates Involving Ratios of Fractions (Part1)		
	Unit Rates Involving Ratios of Fractions (Part 2)		
	Understand Proportional Relationships		
	Write Equations for Proportional Relationships		
	Strategies to Add and Subtract Rationals		
	Multiply Integers		
	Divide Integers		
	Equivalent Linear Expressions		
	Solve Multi-step Equations		
	Write and Solve Multi-Step Equations		
	Solve Inequalities		
	Solve Problems w/ Inequalities		

SUMMER CHALLENGE

Name:		Grade: 8	
Date	Lesson Name	Score (in My Progress)	Parent Initials
READING			
	Building Sentence Comprehension: Identifying Replaced Words and Ideas in Literary Texts		
	Citing Evidence: Literary Text		
	Analyzing Connections between Individuals, Events, and Ideas		
	Building Sentence Comprehension: Identifying Replaced Words and Ideas in Informational Texts		
	Analyzing Word Choice: Informational Text		
	Analyzing Word Choice: Figurative Language		
	Building Sentence Comprehension: Understanding Informational Texts about Gaming		
	Analyzing the Impact of Dialogue		
	Building Sentence Comprehension: Analyzing Sentence Parts in Informational Texts		
	Analyzing Conflicting Information		

Name:		Grade: 8	
Date	Lesson Name	Score (in My Progress)	Parent Initials
MATH			
	Properties of Integer Exponents		
	Linear Functions		
	Linear Functions, Rates of Change and Initial Value		
	Write Equations for Proportional Relationships		
	Representing Proportional Relationships		
	Linear Equations and Slope		
	Systems of Linear Equation		
	Solving Systems of Linear Equations Algebraically		
	Pythagorean Theorem + Square Roots and Cube Roots		
	Application of Pythagorean Theorem
