To keep learning continuity through the summer, Broward County Public Schools has created a Summer Digital Learning Playground. This digital playground has links to engaging experiences and activities that will assist with students' creativity and artistic abilities as well as educational links to help your child get ready for the next school year. The Summer Digital Learning Playground can be found at [BROWARD SCHOOLS DIGITAL PLAYGROUND](#)

ERT: Students are now able to change and manage their passwords to Virtual Counselor. To ensure the security of your account we encourage you to use the "Change Password" link or itions Menu once you login. If you forget your password please contact your school's guidance counselor to have it reset.

2020-21 School Pre-Registration Form

Directions: The School Board of Broward County has identified options for reopening schools for the 2020/21 school year. Unless otherwise indicated, each option adheres to the safety protocols from the Centers for Disease Control and Prevention (CDC) and local medical experts during the Coronavirus pandemic.

In order to plan for the coming school year, we are respectfully requesting each family to answer the following questions. Parents/caregivers should be sure to complete an individual survey for each student in their home. Please keep in mind that having 100% of our students on campus to start the school year may not be possible due to space limitations necessitated by physical distancing guidelines. Your input is critically important to determine the best way to accommodate the needs of our School Family.

Under the current conditions, which of the following choices are you most comfortable with for your child to start the 2020/21 school year?

1 Please indicate your intent by selecting one of the options below:

- A. eLearning 100% of the time: I prefer for my child to remain at home every day and continue eLearning connected to and provided by their local school.
- B. Hybrid Model: I prefer to send my child back to school for part-time, on campus learning in August, with any time not spent on campus dedicated to eLearning connected to and provided by their local school.
- C. Face-to-face learning 100% of the time: I prefer to send my child back to school for on campus learning in August full-time even though it may limit the District's ability to maintain CDC guidance regarding physical distancing.
- D. Broward Virtual School: I prefer to enroll my child in the Broward Virtual School for online distance learning at home every day.
- E. Enrolling in Home Education
- F. Enrolling in a Private School
- G. Enrolling in a Charter School
- H. Moving out of the County

2 If you plan on your child attending school on-campus, please select the transportation option that best describes your intent:

- A. My child is eligible to ride a school bus, and I intend for my child to ride the school bus.
- B. My child is eligible to ride a school bus, but I do not intend for my child to ride the school bus.
- C. My child is not eligible to ride a school bus, and will get to school some other way.
