VIA: Dr. Angela R. Fulton
Deputy Superintendent, Teaching & Learning

SUBJECT: **HOME INTERNET ACCESS SURVEY**

The Information Systems Division (ISD) is conducting a connectivity needs assessment to determine the number of students who have reliable Internet access at home. To ensure a high response rate, we are distributing this survey through various channels, including parent link, social media, and the District website.

The Home Internet Connectivity Survey is open now through May 31, 2025. The survey is available in four languages.

- [English](#)
- [Spanish](#)
- [Portuguese](#)
- [Haitian Creole](#)

Please be advised that the data collected from the survey is solely for informational purposes and does not guarantee additional services. **For questions regarding the survey, school staff can email TechnologySupportServices@browardschools.com.**
