

Hispanic Culture Quest Club

Days: Tuesday

Grades: 1st - 5th

Mrs. Rosario

Take a cultural adventure in Hispanic Culture Quest Club! Each session brings kids on a journey to explore the vibrant music, delicious foods, and rich traditions of Hispanic cultures. From learning salsa dance steps to creating cultural crafts, students will develop a deeper appreciation for diversity while having tons of fun. Let your child's imagination travel the world — no passport required!

Exploring Sports

Days: Thursday

Grades: 3rd - 5th

Ms. De la Pena

Get active and build teamwork skills In Exploring Sports! Over 8 weeks, students will try out a variety of sports, learn the rules, and develop fundamental skill like coordination, strategy, and sportsmanship. From soccer to basketball and more, this program is perfect for kids who love staying active and working as a team. Let the games begin!

Mad Science Labs

Days: Tuesday

Grades: 2nd - 5th

Ms. Peters

Dive into the world of wild experiments and explosive discoveries in **Mad Science Labs**! From creating bubbling potions to building mini rockets, kids will explore the fun and fascinating side of science. This hands-on program is perfect for budding scientists who love to question, experiment, and get messy (in the name of learning, of course)! Let the lab adventures begin!

ENRICHMENT CLUBS

Paws & Claws Future Vet Academy Grades: 3rd-5th
Days: Tuesday/Thursday Mrs. Mejido
Does your child have a love for animals? In Paws & Claws Vet Academy, students will step into the world of veterinary care and animal advocacy! From learning how to care for cats and dogs to discovering fascinating facts about exotic animals, kids will explore the exciting field of veterinary medicine. This program inspires compassion, curiosity, and a passion for animal welfare. Plus, kids can bring their favorite plush pet to join in the fun! (Please note: no real animals will be used in class.) Don't miss this paw-some opportunity to spark your child's interest in animal care and veterinary careers!

Dino Detectives Grades: 1st - 3rd
Days: Thursday Mrs. Roulhac
Roar into the past with Dino Detectives, where kids become junior paleontologists! Each session is a thrilling adventure of uncovering fossils, solving dinosaur mysteries, and discovering the incredible creatures that ruled the Earth millions of years ago. With hands-on activities and exciting discoveries, this club will ignite their love for prehistoric times. The thrill of exploration awaits— sign up today!

Culinary Creators

Days: Tuesday/Thursday

Grades: 3rd-5th

Mrs. K. Henry

Calling all little chefs! Culinary Creators is a hands-on cooking club where kids will whip up delicious dishes while learning about nutrition, kitchen safety, and global cuisines. From baking cookies to exploring cultural recipes, this program builds confidence and creativity in the kitchen. Get ready for your child to create culinary masterpieces while developing a love for cooking and healthy eating! Let's make mealtime fun and flavorful!

Cheer Champs Academy - Beginning Cheerleading

Grades: 1st-5th

Days: Tuesday

Mrs. Dominick

Let's hear it for Cheer Champs Academy! This beginner-friendly cheerleading program helps kids build confidence, teamwork, and spirit. Students will learn basic cheerleading skills, including rhythm, coordination, and memorization, all while having fun in a supportive and energetic environment. Watch your child cheer loud, proud, and ready to shine on and off the mat!

STEM Superstars

Days: Tuesday

Grades: 2nd-5th

Mrs. Allick

Get ready to create, innovate, and problem-solve in STEM Superstars! Each week, kids will tackle exciting hands-on challenges combining Science, Technology, Engineering, and Mathematics. From building bridges to launching rockets, students will think critically, experiment, and discover their inner engineer. It's a fun and educational way to inspire young innovators and inventors!

Let's Get Crafty

Days: Tuesday

Grades: 2nd - 5th

Mrs. Delgado

Unleash your child's creativity in Let's Get Crafty! Each week, students will dive into exciting art projects, from designing DIY décor to experimenting with wild and wacky crafts. This program encourages self-expression and exploration through art, sparking imagination and building confidence. Let your child's artistic talents shine with every masterpiece they create!
