# Teacher & Staff Appreciation Week May 8 - 12, 2023

## “You Make A World Of Difference”

Gratitude knows no borders  
**THANK YOU**

MAKING A WORLD OF A DIFFERENCE

Dear Students, Parents & Guardians,

Join us in celebrating Teachers and Staff Appreciation Week with the theme "You make a world of difference!" Let's show our educators how much we appreciate all they do to impact our lives positively. Below is an itinerary of events, along with a suggestion of ways to contribute to the fun of showering our teachers and staff with the appreciation they deserve!

**MONDAY 5/8/23** *England* 

Departure day! Let's help your teachers pack. With supplies! Ask your teacher which classroom items they're low on.

**THURSDAY 5/11/23** *Paris* 

Oui! Springtime in Paris, c'est magnifique! Bring a flower or plant, or even a lovely drawing or picture, to bring a smile to your teacher's face and make their heart sing!

**In Flight Service**  **TUESDAY 5/9/23**

Brighten your teacher's day by bringing their preferred snacks and beverages to enjoy during their break!

 **MEXICO** **FRIDAY 5/12/23**

Show your teacher they're "Nacho" average teacher! Bring a handmade card, gift card, or favorite candy to help fill their piñata, and wear their favorite color to make the day even more special.

**WEDNESDAY 5/10/23** *Cuba* 

¡Somos todos amigos! Give a high-five to any maestro you see in the hallway all day long!

The ideas suggested above are optional ways to participate in the daily themes and activities. If you have other ideas or would like to show your gratitude in a different way, please feel free to do so!

Visit our Instagram page @pta\_pantherrun to check out your teachers' favorite things. You can also scan the QR code below to access the list. Don't have an Instagram account? No worries! We can email you the list instead.

# Student Arrival and Dismissal Procedures

*School Times: 8:00 a.m. to 2:00 p.m. First Bell - 7:50 a.m.*

**Students are not permitted on campus before 7:30 a.m. There is no supervision before 7:30 a.m.**

This is an important safety alert for our parents. Please remember that students should not be dropped off or arrive at school prior to 7:30 a.m. This is a safety concern as there is no supervision prior to 7:30 a.m. **Please do not stop and drop off or pick up your children on 172<sup>nd</sup> Avenue or 9<sup>th</sup> Street. Also, please do not block the crosswalks while waiting in the car line. Dropping off or picking up your child while stopped on 172<sup>nd</sup> Avenue or 9<sup>th</sup> Street is extremely dangerous for the children, parents and other drivers.** Please follow all traffic laws and drive to the appropriate area of the school parking lot to drop off or pick up your children. All CAR RIDERS should be dropped off for school and picked up in the EAST parking lot. The WEST Parking lot is for District school buses, private transportation vehicles, staff members and A-Team students only.

**When dropping off or picking up in the car line, please pull all the way forward until all cars stop before you allow your child to exit or enter the vehicle.** Once all cars have stopped, students may exit or enter the vehicle under the covered walkway. Also, always follow the sidewalks around to pick up your child. Do NOT cut through the car line. This is for your safety and the safety of people traveling in vehicles on the road. Remember, we are all role models for the children and they learn the rules of the road from us. Thank you for your cooperation in keeping everyone at Panther Run Elementary School Safe.

It is every parents' responsibility to ensure that their child arrives at school on time every day. The first bell rings at 7:50 a.m. Students enter classrooms at 7:50 a.m. to prepare for class. Classes start at 8:00 a.m. Your child will be marked tardy after the second bell and it will be reflected on their report card.

# Student Arrival and Dismissal Procedures

*Front Parking Lot - West side of school is for Buses, Transportation Vans & A-Team*

## Bus, Transportation Vans & A-Team Arrival & Dismissal ONLY

The front driveway on the west side of the school facing NW 172<sup>nd</sup> Avenue has been designated by the Broward County School's Safety and Traffic Department for school bus, day care transportation van, and A-Team drop-off and pick-up ONLY. Car riders are to use the East parking lot for arrival and dismissal. A-Team parents entering the lot need to have the A-Team placard displayed for our Campus Security Monitor to clearly see. A-team parents are to park in a designated parking spot at the south end of the lot and walk their child across to the designated drop off area. Please remember to always use the cross walks. These rules are enforced to protect every child's safety.

# Student Arrival and Dismissal Procedures

*Back Parking Lot - East side of school for Car rider arrival & dismissal*

**The east side of the school has been designated for car rider parent drop off and pick up of students. Students enter the building through the PE Entrance door.** Please follow the signs and stay all the way to the right, next to the curb. Your child's name and grade level need to be written on a big white placard and placed on the right side of your dash. This assists us in getting the children loaded quickly. Trained staff will announce students' names and open the car doors and load the students into their car as quickly and safely as possible.

**Parents are not to get out of their cars or park in this area.** This is a continuous flow of traffic line. Staff will be available to load and unload students. **Remember to be patient and courteous.** We all share the same goal of having every child arrive and depart safely. Please allow plenty of time to drop off and pick up your child. **Car pools are highly recommended,** as well as walking and biking.

**School personnel are assigned to all student areas to supervise students both during arrival and dismissal.** Please respect their dedication and hard work in moving the traffic along as quickly as possible. Being rude and using inappropriate language is a very poor example for your child. Please stay in your car. Please do not get out and wave for your child to come to you. This is extremely dangerous! With your help and cooperation in following the above procedures we can ensure the safety of all children.

# Dress Code

## **Panther Run has a mandatory school unified dress code.**

All students attending Panther Run must adhere to this unified dress policy. Uniforms can be purchased through the school-approved dealer or at a local department store. The unified dress code consists of navy blue or khaki colored pants, skirts or shorts. Girls may choose to wear skorts or jumpers in these same colors. Polo shirts in navy blue, hunter green, light yellow or white will be worn. The Panther Run PTA school tee shirt can also be worn. Cargo pants are not permitted. Students are permitted to wear jeans that fit properly and are not torn. Loafers, closed shoes or sneakers may also be worn. More information on school uniforms is available in the school office. Parents can apply for a waiver to the school uniform policy within the first ten days their child is enrolled at Panther Run, or within the first ten days of the beginning of every school year. Waivers are available in the front office. Student identification badges are part of the dress code and must be worn at all times on campus. Students are not permitted to wear suggestive, revealing or indecent clothing; including but not limited to clothing that exposes private body parts and/or displays pictures or words that have a sexual connotation. Hoodie sweatshirts, leggings and hats are not allowed to be worn in school.

# News from Food & Nutrition

## School lunch - what a bargain!

Thanks to federal, state and local partnerships, Food and Nutrition Services are able to offer variety and well-balanced nutritious meals. The National School Lunch Program provides the student the opportunity of selecting a lunch consisting of 5 meal components (Meat/ Meat Alternate, Milk, Grain, 2 fruits or vegetables). The student may choose 3, 4, or 5 components for the same price. A student may refuse 1 or 2 of the meal components. The idea of “3 are good, 4 are better and 5 are best” is promoted to assure the greatest variety and nutrient intake. This is our government’s way to assure that its financial support pays for only those meals that meet defined federal standards. School lunch meals provide an assortment of foods including entrée salads and fresh fruit daily. For students who prefer to bring a bag lunch, either low fat white, strawberry or chocolate milk, or water are available for \$.50 per carton. Ice Cream will not be sold at this point. **A LA CARTE FOOD:** If a student does not select 3 of the 5 components offered as a meal, then the meal does not qualify for federal reimbursement and the student must pay ala carte prices. Students are charged a la carte prices for additional portions and for specialty items. Because of the government’s support, choosing the school lunch meal is a real bargain.

**Free and Reduced Price Meals:** Students will bring home a Free and Reduced Price Meal application the first week of school. The United States Department of Agriculture provides free or reduced price meal to children whose families meet income requirements. This helps assure that all children have access to nutritious food during the school day. Children need proper nutrition to grow, be healthy and learn. Last year, over 110,000 students in Broward County students took advantage of this great program. Only one application is necessary per household. Information is secure and confidential. Non-citizens and non-residents may apply for benefits.
