

BCPS SUMMER 2021

Get back! Get ready!
Reconnect!

Please scan the QR code with your cellphone camera and complete the form to register your child for any of the summer programs and related services offered. Students from Liberty Elementary will attend the summer programs on our own campus. All programs are FREE and will include breakfast and lunch. Additionally, most before/after-school and extended school day programs are free, but some require a fee based upon the household income. A full description of

all summer programs, course offerings, and support services are available on our website at:
