

MCNICOL MIDDLE MAGNET & STEM SCHOOL

i-Ready is an online program for reading and/or mathematics that will help your student's teacher(s) determine your student's needs, personalize their learning, and monitor progress throughout the school year.

Students can access i-Ready from their Clever account!

- **Explain:** Students will complete an i-Ready diagnostic for ELA (9/14-16) & MATH (9/17-24).
- **Plan:** Teachers will use that data to help students increase their learning gains.
- **Progress:** There is a teacher and student pathway.
 - Teachers can assign tasks aligned to the class lessons and provide targeted intervention to support comprehension.
 - Students will receive a personalized lesson pathway for both content areas.

- **Explain:** Inform your child that i-Ready will help ensure that they are ready for their next grade level.
- **Plan:** Create a weekly schedule for your child's i-Ready pathway, put it in writing, and post it somewhere visible.
 - Emphasize "thinking before clicking" so that scores reflect what your child actually knows.
 - Reward your child's efforts.
- **Progress:** Check your child's progress using the My Progress page.
