PINNACLE GRADEBOOK ACCESS

Pinnacle is Broward County Public School's online gradebook used for middle and high school students. Parents and students have access to see progress and attendance. This is a great way to support your child's learning.

The URL for access to Pinnacle is:

<https://gb.browardschools.com/pinnacle/gradebook/>

Signing In:

The student login should be in the following email format – **username@my.browardschools.com** where the username is the student ID.

The password is maintained by the student. Students will be required to change their password periodically. At this time, to access your child's Pinnacle, you will have to ask them for their password. The default password is PMM/DD/YYYY (P is capital, MM = birth month, DD= birth date, YYYY= birth year, and slashes must be included in the password).

AUTOMATIC PARENT NOTIFICATIONS:

Once you've signed in, on the left side of the page there will be an Options title and a link for "Email Subscriptions." After clicking on Email Subscriptions, click the link to add your email address. After adding your email address you will be able to modify the notifications you'd like to receive (weekly or daily). Save your changes.
