

THE BAIR GAZETTE

August 12–August 16- Volume 4-1 (Sept)

“Intelligence plus character-that is the goal true of education”

Dr. Martin Luther King, Jr.

Principals' Message

I can't believe the year is about to start for the 2019-2020 school year. It seems like we just left school last week. Bair is a “B” school for the second year in a row. This is a tremendous accomplishment for students, teachers, staff and the entire community. Bair will continue with an academic, behavior and social emotional focus this year. Professional Learning Communities will be at the cornerstone of all that we do. The integration of technology will also be a focal point. Finally, the implementation of Data teams with fidelity will be crucial to maintaining a “B” grade or increasing to an “A”. Don't forget your purpose as the year begins, it will keep you on the right course. **Remember, it's all about the B.A.I.R. !!**

Stay the Course

Stay Focused, Stay Committed, Stay Positive

Success is 99% attitude and 1% aptitude.

-Celestine Chua-
