

Due to the high demand for FREE SAT/ACT workshops, Broward County Library is offering another online workshop starting Monday, August 31, 2020.

Program: SAT/ACT Prep with BCL Online

Duration: 1 hour 15 minutes

There is only one registration for all eight sessions! This is to prepare students for the September 26 and October 3 SAT.

This intensive program is comparable to that of an expensive SAT or ACT test-prep course. Online class sessions which include practice tests and intensive test-taking strategies, focus on four components per subject fundamentals, techniques, recognition/reaction, and timing manipulation.

To build a better understanding of test preparation and the college admissions process, parents and students will be assigned homework. Parents and guardians are encouraged to have their teen attend each session and complete each homework assignment.
