NEW CONSTRUCTION

Breaking Ground

Flanagan High School is excited to share that our school campus is expanding. Through the SMART bond, Flanagan was approved for a two-story building addition that will house 18 new classrooms and lab facilities (building model below). Flanagan staff has been in constant communication with the architect and construction company in planning for this new and exciting expansion of our campus. The new building will replace the existing portable classrooms and is expected to be open for students and staff in the 2019-20 school year.

An Award-Winning Yearbook

Flanagan High School has an award winning yearbook. The Talon was featured in Herff Jones' Folio Magazine as an exemplary publication. The Herff Jones Creative Director was so taken with Flanagan's yearbook students and product that he asked to do a story on the photography of one of our FHS students, Yoan Diaz. Pictured are a sample of Yoan's work. Mr. Edwards, our staff yearbook advisor is looking forward to working with students to produce an even better book this year!

MOVE UPDATE

Teachers: Mrs. Hue, Mrs. Henry, Ms. Chambers, Mr. Aiken

Move is an organization at Charles W. Flanagan High School that uplifts students and brings them together socially and academically. Our theme this year is “understanding the purpose of setting goals.” Students mentor other students as a vehicle to empower those students who struggle with social, behavioral, and academic skills. On September 4th we had our first event for the year: A Cupcake Social. The social allowed the MOVE students to meet and greet other members in the group. The keynote speaker Mr. Stephen Brooks spoke on the theme “Setting Goals”. The Cupcake Social ended with refreshments.

MISSION STATEMENT

Students are interested in enhancing the safety and pride initiatives on campus. P.A.S.S. is a STUDENT LED initiative that uses student voice to create and implement sustainable projects that will enhance the climate and culture of FHS. This includes building genuine connections with one another.

These initiatives include:

- Cafeteria clean up: Students will take PRIDE in the area in which they share meals with one another. P.A.S.S. presence will be seen at each lunch to ensure that this active clean up initiative is implemented by the whole student body.
- Student to student outreach as well as student to teacher outreach projects and initiatives will be implemented by P.A.S.S. members on campus throughout the day to establish PRIDE.
- P.A.S.S. leaders and members will be enhancing the relationship between Student Resource Officers and the student body on campus to improve campus SAFETY.
- P.A.S.S. students will encourage as well as positively reinforce the wearing of ID's to ensure increased SAFETY on campus.
- P.A.S.S. students will educate students on the implementation of the FHS Tardy Policy as a matter of PRIDE and SAFETY.

Become an active member of P.A.S.S today!

- ❖ See any P.A.S.S. member for information on how to sign up.
- ❖ Any student participating in P.A.S.S. projects and initiatives on campus must wear their P.A.S.S. uniform on THAT day.
- ❖ The dri-fit uniform tee can be purchased for \$20. See Ms. Eapen in Portable 10 throughout the day or Mrs. McCue 1st and 5th period in room 220 in the back of the Media Center.

KEFFORD'S KIDS

KICK-OFF

10/4 & 10/5

A TWO DAY KICK-OFF EVENT!

Kefford's Kids was created by Mrs. Kefford when she first came to FHS with the intention of building peer to peer relationships and accountability. Student leaders, UTAP, SGA, Peer Counselors and Early Childhood Education students, serve as the mentors and they're each paired with 9th or 10th grade students. They mentor every other week during study hall class. It's a tiered approach because if the mentor is having difficulty, he/she can approach his/her teacher and the teacher will intervene and serve as an additional support for the mentee. The relationships have proven to be very successful and both the mentors and the mentees benefit from the experience. We all come together for our kick off every fall which was held on October 4 and 5 this year, and come back together to celebrate our success 2nd semester. The theme this year was "Kefford's Kernels" and it was an all day event that featured games, activities and speakers. It was a great time had by all!

PASL PROGRAM

OVERVIEW OF PASL

- 1) To get to know and form caring relationships with students.
- 2) To help students know what to expect and set high expectations for themselves in their goals. The overall aim of PASL is that students achieve academically and are prepared for college and career.

MISSION

To personalize the learning experience for every student in order to meet their individual needs, not only to put a diploma in their hands, but to ensure they are college and career ready.

PASL TEACHERS

ACADEMIC FOCUS

After School Tutoring Available

The National Honor Society students provide 1 on 1 tutoring to all students after school in the media center Monday through Thursday. The Math Honor Society (Mu Alpha Theta) assists on Thursdays to give math focused assistance to students.

PSAT/NMSQT[®]

 /  NATIONAL MERIT SCHOLARSHIP CORPORATION

Wednesday, October 10th, 2018

On October 10, all 9th and 10th grade students will be taking the PSAT. All 10th grade students will be taking the PSAT/NMSQT which makes them eligible for scholarships and a minimum score of a 420 will satisfy their Algebra 1 EOC graduation requirement.

Florida  **P.E.R.T.**

Wednesday, October 10th, 2018

11th and 12th grade students who have not satisfied their Algebra 1 EOC requirements will have a special opportunity to satisfy their requirement with the PERT test on October 10th. These students will be individually notified. Resources for review are available on the school website.

WHAT'S HAPPENING

Online Educational Resources

Students use a variety of online platforms to deepen and enrich their understanding of academic content. These resources are all available from home! Students can continue using these online resources to receive additional support at home at their own pace. Ask your child's teacher how these resources can best be utilized at home!

Unit tests are a significant part of a student's overall class average in Algebra 1 and Geometry. In the last two weeks, students have taken their first round of rigorous unit tests. Since then, all students were presented with an opportunity to remediate (repair) and enrich (further grow) their understanding of the content. Speak with your child about their grades on their recent unit tests and discuss if the remediation and enrichment opportunities are right for your child. Together, we can ensure that your child succeeds.

The focus in 9th and 10th grade ELA has been the coming PSAT exam. Teachers have worked on strengthening skills, comprehension, and speed in preparing students for success on the Reading and Writing portion of the PSAT (October 10). In 11th and 12th grade, students work on strengthening their reading comprehension and writing skills to achieve high marks on the SAT. Teachers in the ELA department leverage online resources like Khan Academy to reach every student where they are.
