Rally to Tally

The Bilingual/ESOL Department sponsored the Close-Up for New Americans "Rally to the Tally" trip for eligible immigrant 10th and 11th grade students from December 10 - 13, 2019. Students were intrigued by the question, "How can our understanding of History & Government help us to take an active role in our communities?" 10th grade student, Vanessa Vincenti said, "This experience was a perfect opportunity to discover more about the important role I take in society. I learned how powerful my voice can be to change the world despite being an immigrant. I am beyond grateful for the opportunity to participate in the Close-Up program since it strengthened my beliefs and my leadership skills. I will never forget it!" Jose Rincon, 11th grader echoed her sentiments, "I liked that I had the opportunity to meet a lot of new friends and I loved the experience we had in sharing our thoughts and ideas!" We look forward to participating in this event for years to come!

MOVE Update

Move is an organization at Charles W. Flanagan High School that uplifts students and brings them together socially and academically. Our theme this year is "understanding the purpose of setting goals." Students mentor other students as a vehicle to empower those students who struggle with social, behavioral, and academic skills. On September 4th we had our first event for the year: A Cupcake Social. The social allowed the MOVE students to meet and greet other members in the group. The keynote speaker Mr. Stephen Brooks spoke on the theme "Setting Goals". The Cupcake Social ended with refreshments.

Teachers: Mrs. Martin, Mrs. Henry, and Mr. Aiken

PTSA Perfection

A big shout out to our amazing PTSA! We are truly blessed to have a wonderful team of parents. Thank you so much for all you do for FHS. We appreciate you! If you would like to join our PTSA, please contact Mr. Arnwine at arnwinetimothy3@gmail.com.

MISSION STATEMENT

Students are interested in enhancing the safety and pride initiatives on campus. P.A.S.S. is a STUDENT LED initiative that uses student voice to create and implement sustainable projects that will enhance the climate and culture of FHS. This includes building genuine connections with one another.

These initiatives include:

- Cafeteria clean up: Students will take PRIDE in the area in which they share meals with one another. P.A.S.S. presence will be seen at each lunch to ensure that this active clean up initiative is implemented by the whole student body.
- Student to student outreach as well as student to teacher outreach projects and initiatives will be implemented by P.A.S.S. members on campus throughout the day to establish PRIDE.
- P.A.S.S. leaders and members will be enhancing the relationship between Student Resource Officers and the student body on campus to improve campus SAFETY.
- P.A.S.S students will encourage as well as positively reinforce the wearing of ID's to ensure increased SAFETY on campus.
- P.A.S.S. students will educate students on the implementation of the FHS Tardy Policy as a matter of PRIDE and SAFETY.

Become an active member of P.A.S.S today!

- ❖ See any P.A.S.S. member for information on how to sign up.
- ❖ Any student participating in P.A.S.S. projects and initiatives on campus must wear their P.A.S.S. uniform on THAT day.
- ❖ The dri-fit uniform tee can be purchased for \$20. See Ms. Eapen in Portable 10 throughout the day or Mrs. McCue 1st and 5th period in room 220 in the back of the Media Center.

Democracy In Action

Last October, Flanagan High students from Dr. Arellano's AP U.S. History class participated in the District's Democracy in Action Initiative, a project sponsored by Florida Congressman Richard Stark (D-District 11). The students, Catalina Jaramillo, Zachary Mata, Manuel DeLeon, Christen Pineiro, and Michael Gold, presented a bill titled "The Pollutant Pollinator Act", a proposal on limiting pesticides that are harmful to Florida's wildlife. The students presented their research findings and provided Congressman Stark and his team with recommendations on the topic, all the while showcasing Flanagan High's wonderfully creative student body.

Just Do It Awards

Flanagan High students, Kyle Linton and Jian Villa Flores, were recently honored at the "Just Do It Awards" program. The "Just Do It Award" is awarded to students who have overcome obstacles and made great strides and achievements in a variety of areas. Flanagan High is very excited to have Kyle and Jian represent the Falcon Family with such a prestigious award!

2019-2020 Superintendent's Advanced Placement Art Exhibition

The following student's artwork was accepted into the 2019-2020 Superintendent's Advanced Placement Art Exhibition. The exhibition will take place at the Coral Springs Museum of Art from January 4-January 30, 2020. The reception and awards ceremony will take place January 29th, 2020.

Urban Teacher Academy Program (UTAP)

The Urban Teacher Academy Program (UTAP) is a club on campus that introduces integrated teaching experiences to students and takes them through the process of the work that the education profession requires. In the beginning of the year we learn how to create lessons plans and strategies to meet the needs of each student. During class time, we do a variety of team building exercises that are designed to help us work better together. In this class we spend most of our time communicating with each other, which is extremely important because it helps us with everything that we do. UTAP teaches students leadership, work skills, and communication skills which are very necessary for the future.

One of the main components of this program is our field experience trips. Every Tuesday and Wednesday, we go to two different elementary schools: Pines Lakes Elementary and Lakeside Elementary and work with either kindergarten, first, second, or third graders. Upper level presents push-in lessons while level one participates in a peer-mentoring reading program. Upper-level UTAPers go into a kindergarten, or first grade class and present lessons they have created that are based in reading, math, or science. The elementary school teachers have the opportunity to request lessons based on the curriculum that they are already teaching and then get to grade the high-schoolers based on their performance within their classrooms. The Teen Trendsetters program, which is sponsored by the Barbra Bush Foundation is a one-on-one peer mentoring program with either first, second, or third grade students. High school mentors support students with their reading skills and work with them as much as possible to help them reach their highest potential in school. All UTAP students also work with ninth and tenth graders through Peter's Peeps which is an additional peer mentoring program that UTAP runs on campus in partnership with mentors from Peer Counseling and Student Government. We meet with these students every other Thursday and Friday and make sure to provide as much help and support as we possibly can to help them thrive and become better as they navigate through high school.

Here in UTAP we are constantly planning activities and team-building exercises for the club and for the students at the elementary schools. One of our biggest yearly events is Trunk or Treat. This takes place in October near Halloween and we invite clubs from our school and the kids from Pines Lakes and Lakeside Elementary. We work hard towards making Trunk or Treat enjoyable and fun for everyone. Each car that we use is decorated by the members of UTAP and other clubs that join in the fun. We all use our creative process to come up with fun and immersive games for everyone to enjoy along with the decorative process of each car. Everyone who participates and comes to Trunk or Treat leaves with a smile, a happy heart, and A LOT of candy.

Peters' Peeps

KICK-OFF

10/3 & 10/4

A TWO DAY KICK-OFF EVENT!

Peter's Peeps is a peer mentoring program that is run by Mrs. Knapp and UTAP with the help of Peer Counseling and SGA students who mentor 9th or 10th grade students. This mentoring program is designed to help build relationships between mentors and mentees so they can have additional support and help. Every other Thursday and Friday during their study hall period, mentors from these three clubs meet with their 9th or 10 grade mentees and check up on how they are doing and make sure everything is going well.

To start off each semester, we have a kickoff with all the mentors and mentees where our intention is to have fun and get to do activities that everyone will enjoy and look forward to doing. We also have snacks, play games and listen to music while interacting with each other. During our first kickoff we got to know our mentees and do a couple of team building exercises that helped us get comfortable with each other for the rest of the year. We all enjoy Peter's Peeps and working with our mentees; we are looking forward to our next semester kickoff in February!!!

What's Happening

Online Educational Resources

Students use a variety of online platforms to deepen and enrich their understanding of academic content. These resources are all available from home! Students can continue using these online resources to receive additional support at home at their own pace. Ask your child's teacher how these resources can best be utilized at home!

Unit tests are a significant part of a student's overall class average in Algebra 1 and Geometry. In the last two weeks, students have taken their first round of rigorous unit tests. Since then, all students were presented with an opportunity to remediate (repair) and enrich (further grow) their understanding of the content. Speak with your child about their grades on their recent unit tests and discuss if the remediation and enrichment opportunities are right for your child. Together, we can ensure that your child succeeds.

The focus in 9th and 10th grade ELA has been preparing our students to have success on the FSA exam. Teachers have worked on strengthening skills, comprehension, and test taking strategies. In 11th and 12th grade, students work on strengthening their reading comprehension and writing skills to achieve high marks on the SAT. Teachers in the ELA department leverage online resources like Khan Academy to reach every student where they are.

Common App: The Common Application is an undergraduate college admission application that applicants may use to apply to any of more than 800 member colleges and universities in 49 states and the District of Columbia, as well as in Canada, China, Japan, and many European countries.

Coalition App: The Coalition Application is a college application platform that is currently accepted by over 140 schools.

Institutional App: An application done through the institution's website.

Types of Institutions:

College's & The "2+2 system" in Florida

Florida's higher education system is designed to allow students to successfully pursue a bachelor's degree by first earning an associate in arts degree at a Florida college and then transferring to a four-year institution. This approach to earning a four-year degree is commonly referred to as the "2+2 system".

Example: Broward College, Miami Dade College, Valencia College

4-Year Institution

Public universities, private universities, liberal arts colleges and career colleges offering bachelor's degrees all fall into the category of 4-year colleges and universities.

Example: Florida Atlantic University, University of Florida, Nova Southeastern University

HOSA & CAMP KULAQUA

A Huge Success!

This year, 10 members from our HOSA chapter went on a journey to Camp Kulaqua in High Springs, Florida for the 2019 HOSA Fall Leadership Development Academy (FLDA). FLDA is an annual conference held in November designed to shape future health professionals into exceptional representatives for their local chapters. There, HOSA members got to engage in different workshops led by our state officers. These workshops gave members a taste on important aspects of leadership. Some of the workshops included: parliamentary procedure, time management techniques, thinking outside the box, efficiency tips, how to be a state officer and more! Aside from workshops, members got to meet other students from HOSA chapters all over the state. This gave them an opportunity to network with peers and form friendships. Camp K was a remarkable experience. Some complementary activities that members participated in were, campfire sing alongs, mini zoo exploration, mini field day competitions, and more. Each activity was unique, and we cannot wait to go back next year. To see more about our trip to FLDA you can visit our Instagram to see our travel vlog: @flanaganhosa

2018 Reunion

2017 Graduation

Forever a Falcon

We were so excited to welcome back Flanagan's 2nd graduating class, Class of 1999, for their 20-year reunion. The Class of 1999 Senior Class Officers planned a fun-filled weekend for all of the alumni. The graduates were invited to the Homecoming Game on Friday, November 1st, an afternoon at Gulf Stream Brewing Company and a day at the beach. Graduates, athletes, our Homecoming Queen, former teachers and even our 1st Principal, Sara Rogers were in attendance. A great time was had by all!

1999 Homecoming Queen, Dee Crummell-Coop crowned our 2019 Homecoming King and Queen

1999 graduates with teacher, Mrs. Patty Mucha (founding teacher, still teaching at FHS)
