School Advisory Council (SAC)

The School Advisory Council is a school-based group representing the school, the community, and those closest to the students. The group shares responsibility for guiding the school towards continuous improvement. The School Advisory Council is responsible for final decision-making at the school relating to the provisions of the annual School Improvement Plan (SIP).

School Advisory Forum (SAF)

The goal of the School Advisory Forum is to improve the education experience through advocacy, communication, and partnerships between Parents, Schools, and the Broward County School District. The School Advisory Forum meets throughout the school year, often after our School Advisory Council meetings, and representatives attend the district North Area Advisory Council meetings. The topics discussed are often district-wide initiatives, such as school safety, student well-being, calendars, and community issues
