

EVERGLADES ELEMENTARY

Principal Tillinger's Study

Dear Everglades Families,

It is an honor and privilege to serve as Everglades Elementary School's Principal. My faculty, staff and I look forward to greeting our families on campus again very soon in the coming days. We celebrate the academic success at our school with the pride of past accomplishments and with continued anticipation of new and exciting learning opportunities, all in our warm and caring school.

As we approach the new school year, our teachers are excitedly preparing for an enriched and inspirational education. Our school shines brightly in student achievement as well as family involvement. We appreciate and are very proud of the strong bonds forged between our families and staff here at Everglades Elementary.

I look forward to a most meaningful and successful year with our students! If you have any questions, please contact me at your convenience at eliot.tillinger@browardschools.com or (754) 323-5600.

Safety and Security

In order to ensure the safety and security of our students, the following will take place at Everglades Elementary:

- A School Resource Officer and Campus Monitors are on our campus from 7:30 a.m. - 3:00 p.m. The school works with the SRO and Campus Monitors to review and conduct emergency drills monthly, such as fire, tornado, evacuation, and lockdown.
- Students and Staff must wear their I.D. badges throughout the school day.
- Staff members will monitor any open gates. All gates will be locked after arrival and dismissal.
- The front doors of the school will be locked after arrival.
- All visitors including parents must check into the front office prior to going to any classrooms or any area on campus. An official photo ID is required such as your driver's license, Florida's official state identification card, or a passport.

We recognize that these safety procedures may be inconvenient. At times, due to staff availability, there may be longer than usual wait times. We kindly appreciate your cooperation and patience as we work together to keep our children safe.

Emergency Preparedness

All Broward County Public Schools are required to perform monthly fire and lockdown drills to ensure all safety protocols and practices are adhered to by students, staff, and visitors to the campus. All parents/guardians will be notified via Parentlink once the drill is completed.

Supporting Your Child(ren) as they Return Back to Campus

The key to the health and safety of students is ensuring they are aware and engage in healthy practices. Here are some best practices to discuss with your child(ren):

- Review and practice proper hand washing techniques at home and explain to your child(ren) the importance of it.
- Develop daily routines before and after school – for example, things to pack for school in the morning (like hand sanitizer and labeled water bottle) and things to do when you return home (like washing hands immediately).
- Talk with your child about the new protocols put into place prior to entering the school:
 - Wash and sanitize hands more frequently
 - Reinforce the concept of physical distancing with your child
 - Avoid sharing objects
- Ensure your child(ren) are up to date on their immunizations and physicals to be prepared and support their general health.
- You can be a role model for your child by practicing self-care:
 - Take breaks
 - Get plenty of sleep
 - Exercise
 - Eat well
