

BCPS Announces Graduation Schedule for the Class of 2021

Broward County Public Schools will hold in-person graduations for the Class of 2021. The graduations will be modified to allow for appropriate safety precautions.

Dates, times and locations for the ceremonies of 48 high schools, technical colleges and education centers across the District are available at browardschools.com/BCPS2021Grads. The ceremonies will take place June 4 – 10, 2021. The ceremony for Bright Horizons graduates will be held at the school on Friday, June 4 at 10 a.m.

“We’re excited to return to traditional pomp and circumstance, and to give our 2021 graduates and their families an in-person graduation experience,” said BCPS Superintendent Robert W. Runcie. “We can’t wait to provide memorable and celebratory events that honor and recognize the Class of 2021.”

Plans for each school’s graduation ceremony remain in progress and are subject to change, as health and safety guidelines, and other mandates are updated.

Students and parents will receive cap and gown and other information, including live streaming opportunities to share with family and friends who unable to attend ceremonies, from their respective schools.
