Happy New Year! I am honored to serve as principal at Whiddon-Rogers Education Center. School-Based Mentoring Program

F.I.Y.A.H (Forging, Intangible, Youth, Academic, Hope)

Our school-based mentoring program provides guidance and support to students in need. It is an innovative supplement to the student-centered learning that takes place at Whiddon-Rogers Education Center, providing our students with another avenue through which they might feel more confident about their schoolwork, improve their attitudes and commitment to learning, and develop more fully as a person. The program is aligned to our School Wide Positive Behavior Plan.
