Dear Parents, Community Members, and Business Partners:

As you have recently heard, as a result of my upcoming retirement, the Principal position at College Academy @ BC will become vacant effective April 1, 2020. In order to ensure a smooth transition in leadership and to maintain the tremendous educational standards that currently exist, a highly collaborative process will be used in the selection of your next Principal. A Community Conversation will be held to solicit input regarding the characteristics you feel are most important in your next leader. Staff, community, business partners, city leaders, and parent leaders will be invited to participate in this process. Dr. Shaw-Rolle, Director, will lead the Community Conversation on Wednesday, March 11th at 6:00 pm at College Academy in the University College Library, building 17-room 425.

The information obtained from the Community Conversation will be utilized in the process to screen and select applicants to help ensure the best quality leader is chosen with the characteristics that best fit the needs of your school.

Important - Pursuant to School Board Policy 4002.14, Selection and Appointment of School-Based Administrators, individuals wishing to be considered as a member of the Principal Selection Stakeholder Panel must attend the Community Conversation on Wednesday, March 11th at 6:00 p.m.

The Office of School Performance and Accountability team looks forward to working with you in this critical process of selecting your new school leader. Should you have questions concerning this initiative, please feel free to call Dr. Carletha Shaw-Rolle at 754-321-3818.

Sincerely,

Deborah Davey, Principal
