Principal's Message

Dear Charger Family,

This year marks the 45th year of Hallandale High School. I am excited about the 2018 – 2019 school year and the amazing events we have planned to celebrate the years of excellence in this community. As the proud principal of Hallandale High School, I am equally honored that you have entrusted your child to the Charger Nation. It is with passion and purpose that I seek daily to make a positive impact on the lives of each student at Hallandale High School.

As an all magnet high school, your child will be exposed to a variety of career and technical courses with a focus on Entrepreneurship, STEM, and Multimedia. Each of these magnet academies enables our students to walk away with tangible workforce ready skills. Additionally, we offer programming in Advanced Placement, Dual-Enrollment, and online learning opportunities taught by caring, highly qualified instructors.

It is with deliberate intent that we focus on addressing the needs of the whole child. Programs such as the 5000 Role Models of Excellence, Latino's In Action, and Women of Tomorrow serve to provide support and guidance for students while eliminating the barriers to success. Equally important are the opportunities for students to participate in clubs, activities, and athletic programs. This will enable them to forge quality relationships and feel connected to the school community.

Together we will make this an amazing school year! I look forward to serving the Charger Nation and working to ensure that all of our students succeed!

Mark Howard, Principal

Identification Badges:

In order to ensure the safety and security of everyone individual at Hallandale High School, every person on a Broward County School campus MUST have proper identification! Students were able to take their school ID pictures during grade level orientations and schedule distribution events on August 8 and August 10. Students who were not able to get their school ID made on those dates will have the opportunity to have their school ID made every day during A & B lunch in room 308 the first two weeks of school.

LOST ID's: Students who lose or damage their school ID will be required to purchase another ID for a \$5.00 replacement fee. Students are not allowed to be in school without the proper ID. Parents, we want to thank you in advance for helping keep the school safe and secure by ensuring your child wears their ID badge to school every day!

Student Code of Conduct:

The Code of Student Conduct Handbook Goes Green! Parents are invited to review the Code of Student Conduct Handbook and complete the required forms by accessing the Back to School Forms link found on the Broward Schools' webpage at: <https://www.browardschools.com/backtoschool-onlineforms>

This is also where all mandatory back to school forms can be located, including the emergency contact card. The GREAT news is that you no longer have to fill out the same information multiple times. Fill in your information once, and the online platform automatically populates all repeated fields on multiple forms. You save time AND trees! Please complete these form by the end of the first week of school, August 17th. Thank You!
