FLORIDA STANDARDS ASSESSMENTS (FSA) GRADES 3, 4, 5

Florida Standards Assessments (FSA) began April 2-3, 2019, for Grade 3-5. All assessments are paper-based tests. There is no computer-based testing for elementary students this year. Please see the complete FSA schedule below.

Please note that students are required to attend both sessions to receive a test score. Tests are divided into two smaller sessions so students have the opportunity to do their best without being overworked in one large session. Please make sure students fuel up for testing by eating a healthy breakfast and arrive on time for school.

Information on the Florida Standards and assessments can be found at <http://www.fsassessments.org>. If you would like to see sample test items, they can be easily viewed at

<http://fsassessments.org/students-and-families/practice-tests>.
