

Dear Pembroke Lakes Families,

We are excited to announce that today we are starting our Gingerbread Holiday Shop at the school – and offering it virtually as well!

With the holidays right around the corner, you can shop and find great gifts for the entire family from the convenience of your home.

Registration Instructions to access the online shopping site:

1. Register a student(s) to access the online shopping site by visiting www.fundsrus.net, select Student Registration and enter school code **651208270**.
2. Click on America's Gingerbread Shop found in the categories section for easy shopping OR shop our entire catalog.
3. Send emails out to family members and invite them to shop too!
4. **All orders must be placed online by: 12/11/20**

(Online orders can be shipped direct to the school for free shipping!)

We hope the kids will enjoy shopping (parents— don't peek until you put in your credit card info).

Thank you for your support!

PLE PTA
