

READCamp

About READCamp

READCamp is the free virtual summer reading training camp for kids in ages/grades PreK-12. They'll participate in training, drills and practice in order to maintain literacy skills and stay in great reading shape. Led by "Head Coach" Malcolm Mitchell, READCamp motivates kids to sack "the summer slide" and tackle the learning gap. In 2020 we had 7,500 kids from 34 states join us for the summer. Our campers read over 20,000 books! Let's top that in 2021. New for 2021: We're proud to partner with Caribu to offer free e-books and video calls for family book discussions. Participants can also earn access to two free months of Caribu premium services.

"READCamp is Open and Free all Summer!"
