DONUT PARTY

The Peters Elementary PTA is hosting a competition to see which class can generate 100% participation (including the teacher & a minimum of one adult per family), in PTA memberships for the 2024/25 school year. **The winning classes get a donut party!**

What? That's right! We want to increase PTA participation and we're willing to reward your kids with **DONUTS** in order to persuade you to join.

Why? Your PTA membership supports your child, their teachers, and the school.

It's only \$10 to join and you aren't even required to attend meetings - although, we would love to have you!

When? Now, or at least before September 30, 2024, when the competition ends!
