

Silver Trail Global Scholars request your help

H₂O for Life donations

The Global Scholars are collecting online donations for the **Muhwana Secondary School** in Tanzania, East Africa. We have pledged \$1350. Please help us reach our goal. We appreciate your support!

The school has no access to safe, clean water.

Students currently have to walk 30 minutes to an hour every day to fetch water near the Magulilwa Village and the Maha River.

Help us to bring water to
the students of Tanzania!
